

Thursday 4th March

Hi everybody,

Today is a special day - It is world book day!!! A day for celebrating everything about books. Today in school all of the teachers and children will be dressing up as a character from a favourite story. it would be great if you spent the day at home dressed up as well.

We won't be doing our normal lessons and we have a special ZOOM session at 11am all about world book day. I can't wait to see you!!

This morning we are going to start off by drawing a picture of the character we are dressed as or you could just draw your favourite character from a book.

Then can you make yourself a special bookmark using the template I have sent.

At 11am it is our ZOOM session. You will need some story books so grab a pile and bring them with you as we will be doing a book scavenger hunt together as well as talking about our dressing up.

In the afternoon the children will be doing a range of activities. You could do one or all of them

Activity 1 - paint or draw your favourite character from a traditional story.

Activity 2 - Collect some natural materials and make them into a storybook character.

Activity 3 - use some lego or junk to create a bedroom for a storybook character. What would they have in it?

Finally use this day to enjoy lots of stories. I am going to set an alarm on the ipad and every time it goes off we are going to stop what we are doing and all come to the carpet for a story!!

Have a book worm kind of day!

Love

Mrs.Oakes
