

Bishop Cornish CEVA Primary School

Issue 24: 11th March 2022

Phone: 01752 845463

Headteacher: Mrs Tracey Fletcher

Safeguarding Team: Tracey Fletcher (Headteacher and Designated Safeguarding Lead)

Vicky Oakes (Deputy Designated Safeguarding Lead)

The Lord is gracious and righteous; our God is full of compassion.

Psalm 116:5

This week's value is: *Compassion*

Dear parents and carers,

We have had a fabulous week at school. The children in Year 6 have absolutely excelled in their fund-raising project, with thanks to such great support from all of you. We have been blown away by both their efforts and your generosity. This absolutely sums up Bishop Cornish!

This week our value was compassion and how we show it. The children discussed that it is not just about understanding how others feel but going much further and doing something about it. I think that we have proven with our actions this week, just how compassionate everyone at Bishop Cornish is!

Ella has continued to settle into school and the positive impact that she is having on both adults and children cannot be underestimated. Ella has listened to children read and been there to comfort when needed.

I do however have some sad news. Mrs Nicholson, who tells me she has been at Bishop Cornish for 43 years, has decided that it is time for her to retire. She has loved every minute of her time here, just as much as we love having her. Mrs Nicholson will be sorely missed, although we do have everything crossed that she will be in to visit, we all definitely hope so! Please check your class dojo pages for updates around our plans to make sure that Mrs Nicholson doesn't forget us.

COVID

As many of you know COVID numbers are on the rise again. Can I please ask that you are extra vigilant and if your child is at all unwell, please keep them at home. A negative morning test appears to be quickly turning to a positive one later in the day.

Have a lovely weekend,

Mrs Fletcher

Dates for your diary

Tuesday 15th – Thursday 17th March

Scholastic Book Fair

3.15-3.45pm, Education Centre

Thursday 17th March

Year 1 Hearing Screening Friday

Saturday 26th March

Achievement Awards

Ollie in Reception for his amazing symmetry work. He even carried on learning about it during his play and built a great symmetrical tower. Good job Ollie!

Beau M in Year 1 has made super progress this half term. He has been trying so hard with his reading and his writing and you can see this in his work. Beau is always kind to others and is a real superstar in the classroom. Well done Beau!

Naya in Year 2 for her fantastic attitude to reading both at home and at school. Her enthusiastic attitude is helping her to progress and enjoy a wider choice of fiction stories. Well done Naya, we are very proud of you.

Kacey in Year 3 because she is so eager to learn and makes a huge effort within lessons.

Miley in Year 4 for her amazing Picasso artwork. Lots of detail and effort put into creating a fabulous piece of artwork.

Riley H in Year 5 who has made remarkable progress in his reading skills. He always throws himself into his work and he is very determined to always do his best. Your hard work is clear to see Riley.

Joel in Year 6 is a consistently hard worker and tries to achieve his best in everything we do! This week however, I have noticed him being a particularly good leader; showing amazing organisational skills, being able to problem solve, and above all, putting others at the centre of his decision making. Excellent effort Joel!

Value Awards

Isabelle in Reception Class is a great example of someone who can show compassion. She likes to check on her friends and make sure they are ok and feels great love for everyone. Well done Isabelle.

Rosie in Year 1 has shown compassion all this week - in fact she shows it all of the time. She is caring and careful and a super friend to all who really takes notice of the feelings of others.

Joshua W in Year 2, who regularly shows kindness and compassion to his classmates. He makes time to listen to his friends and help them both in the classroom and on the playground. He also shows lovely manners and a thoughtful attitude, well done Josh.

Finley in Year 3 he is a very kind and caring child and often shows this within school.

Lewis G in Year 4 for offering money to a child to buy a cake and passing the ball to a child to score a goal when he could've scored himself.

Amelia in Year 5 wanted to donate all her cake money to the charity even if there aren't any cakes left to buy. She literally said it from the heart 😊

It is impossible to pick a single person this week, as ALL of Year 6 have shown compassion; empathising with others and acting on it with compassion! I feel the whole class should be congratulated on their compassionate efforts to make a difference. Well done.

Sports Report

Year 3/4 ARENA Football Tournament

On Monday our Year 3/4 Football team travelled to Callington for a mini tournament. The whole squad played superbly, eventually beating a strong Sir Robert Geffery's team in the final by 6-1. Player of the tournament was Harry Blair. Well done everyone.

East Cornwall sports hall athletics

Yesterday our Yr3/4 and Yr5/6 sports hall athletics teams travelled to Pensilva for the above event. Both teams were brilliant all day and came 1st to become East Cornwall champions. Both teams have now qualified for the Cornwall School Games Final on April 7th at Truro. Well done everyone and also thanks to all the parents for their brilliant support.

This week in school and at home

Year 5 have been busy using problem solving skills to find systematic ways to add fractions with different denominators. They worked in groups using collaborative working skills and dialogic talk to deepen their knowledge of fraction work. Well done Year 5!

This week children in Reception have been learning all about symmetry and searching inside and out for anything symmetrical. We have also learnt names of different baby animals and what they look like and grow up to be.

This week Year 3 have been learning about different plots for adventure stories and have been journeying up 'plot mountain'.

Year 2 have been enjoying lollipop reading this week, choosing and reading books with their reading partners. They have also been exploring the woods, fact finding about different plants and trees.

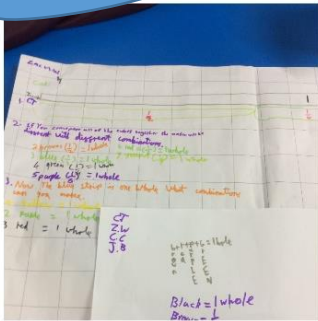

This week Year 4 have done some wild weaving in the woods. They have also been learning about Spanish holidays and the great artist Picasso in Art.

This week Year 1 have enjoyed going up the beanstalk with Jack! They also really loved being in their pyjamas and watching a film.

Year 6 have been incredibly busy organising, selling, hosting and making a positive impact on the world! They have certainly achieved their goal to make a difference! Well done everyone! 😊👏
