Dear Colleague,

### **Fixed term contract: minimum of 20 hours a week Term Time Only**

Thank you for requesting an information pack for the post of BSL 3 (or above) Teaching Support Worker at our school. We hope you find it interesting. We are seeking applicants who will have skills to support two deaf children across Key Stage 1 and 2 so please tell us about your strengths and experiences which are the things that matter most to us.

Please also visit our school website where you can find more details about our school.

This post has been created to support two deaf pupils with Education Health Care Plans.

Bishop Cornish CEVA Primary School is a great school in which to work. The staff are totally committed to supporting the individual needs of each pupil and the environment is one where everyone cares for one another and of mutual respect. All staff are encouraged to be both innovative and creative in their work with children – we love trying out new things which will excite and enthuse the children. We are proud to have a very happy team of staff and amazing children.

We look forward to receiving your application form and thank you once again for your interest in our school.

Yours sincerely,

Mrs S. C. Green  
Head Teacher
