

Here, There and Everywhere...

Visit your local library and find some non-fiction books about ancient Egypt...we may not be able to visit libraries, so you can research online instead.

Research and find interesting landmarks in Egypt on a map. Where is Egypt? Can you find out about the River Nile? What and where are the important landmarks? You could trace a map and label where these are.

Go to a travel agents (perhaps an online agent) or research holidays to Egypt online. Design a leaflet to encourage tourism to the country.

You could even make a persuasive a video advert...'Come to Egypt...' (in authentic costumes if you would like to).

Get creative

Spend some time being creative.

Produce a piece of artwork showing an element of Ancient Egyptian life or an Egyptian landscape. This piece of artwork can be anything you want. You could paint, sketch, sew, build, bake...the list is endless.

Think carefully about what you would like to create and then think about the materials you will need to do this.

Get with the Gods...

What can you find out about ancient Egyptian Gods or Goddesses? Create a fact file book, a poster or even make a set of top trump cards about these. If you would like some art work, ask somebody to draw around you on large paper and decorate this to turn yourself into a life size, artistic, Egyptian God.

Get designing...

Design and make an Egyptian tomb, pyramid or a coffin for an Egyptian mummy. Do you think you need to mummify a family member with toilet paper??? The children wanted this one included...☺ How were tombs and pyramids built? What would you need to build one? Draw a plan of how you would build this and include a labelled diagram. Have fun building and making.

Digging up the past...

Imagine you have been on an archeological dig; write a diary entry about your adventure. What did you discover? How did you feel? You could produce some detailed sketches of the artifacts you found. You could make a short film or radio documentary about your discoveries.

Year 4 Homework Autumn Term 2020

Spellings, times tables and reading - daily
Online (activelearn) or an alternative maths activity - weekly

These are set on a Friday and due in on a Tuesday. Please bring homework books to school on Tuesdays.

Incredible Egyptians

Choose 3 'free choice' activities to complete for homework over the Autumn Term. Please complete one by the end of the half term and two further activities by December...or choose one activity for 3 weeks.

I have given lots of ideas in the boxes in case you would like to extend you learning further.

Due to not being able to store your lovely creations in our classroom, please can you think about this when you get creative. Perhaps take a photo if you make a large creation at home. We will not be able to display everything like we usually do.

Get Cooking...family feast

What can you find out about what people would have eaten in Ancient Egypt? What foods may people eat in Egypt today? Make an Egyptian Menu card for foods eaten in the times of Ancient Egypt.

Help to prepare your family an Egyptian meal and all sit down to feast together.

Please take a photograph of the evidence...and some quotes from your family about what they thought of the food.

You could write a set of instructions for how to make you feast.
