

Y4 Homework - Friday 9th October

If anyone can spare any bulbs, compost or large containers/planters, Year 4 would really welcome these as part of our RE work next week. Thank you so much.

Topic

Look at the topic grid and begin your work on one of the choices - have fun.

Maths

Please log on to www.activelearnprimary.co.uk

Login - 1st initial and surname e.g. jsmith

Password - yr2016

School code - bccj

- 1) There is a worksheet glued in your homework book. Use the addition written method we have been practising this week for the first part of the worksheet (we are now using the standard written method as we have learnt this during the week). We are drawing a numberline and counting up along this, making jumps. The smallest number is written on the left and the largest number on the right. Remember to count up first to the nearest 10, then to the next 100. Remember how the frog jumps along the lily pad.
- 2) There is a times tables game you can play to practise your 4s and 3s.

Times Tables

This week we will be working on multiplication and division facts for the 3 times tables. Spend some time practicing these tables at home. You can use the following websites to help you or you can practice these in a different way. If you already know these tables, try multiplying by 10 or 100. For example, 1×30 , 5×30 , 3×30 = Try taking your tables past the 12th multiple.

<https://www.bbc.co.uk/teach/super movers/times-table-collection/z4vv6v4>

www.TimesTables.me.uk

Another fantastic way of learning your times tables is to make a set of flash cards - see last week's homework letter for information.

Spellings

Homophones - words which sound the same but have different meanings and spellings are called homophones.

Try to learn as many of these homophones as possible. Most you can probably already spell, but make sure you know which is the correct spelling for each word.

No	Know	Where	Wear
Write	Right	Week	Weak
Bear	Bare	Meet	Meat
Break	Break	Whether	Weather
Ball	Bawl	Not	Knot
Plain	Plane	Hear	Here
Seen	Scene	Mail	Male
Be	Bee		

The y3/4 words we have been looking at in class this week are:

Appear arrive believe bicycle breath breathe

Handwriting - optional extra - practise joining and writing the letter k.

I will upload a handwriting sheet which will match the letters we are working on this week on to the school website...this handwriting sheet is an additional activity. Apologies, but the scan didn't work too well so the letters and words on the first page are:

ckck ick uck ack brick chick buckle chuckle black crack
