Dear Parents and Carers

Normally, early on in the autumn term we hold parent consultations so staff can meet with you, address any questions or concerns you may have and find out how well your child has settled into their new class. Clearly lots of things have had to change this term but we still want to be able to offer parents who want to meet with their child's class teacher this opportunity. We will not be able to hold these meetings face to face but would like to offer a telephone call or virtual meeting to those parents who would like it. Appointments usually last between 5 – 10 minutes. If you feel that you need a longer meeting, please indicate. Clearly this will take a little longer than normal to facilitate so please bear with us.

Please could you return the slip below indicating if you would like to speak to your child's class teacher at this stage in the term and whether a telephone call or video call would be easier. We do ask you to return the slip below even if you feel that you do not want a consultation at this stage in the term.

We will aim to start consultations as soon as possible. This does not mean that if you have any urgent or immediate concerns you have to wait. Please contact Lotty and she will pass a message to the class teacher to contact you immediately.

Thank you for your understanding as we try things out for the first time.

Very best wishes

Mrs Sue Green
