## YEAR 1 HOME LEARNING WEEK BEGINNING 4<sup>th</sup> October 2021

Focus	Monday	Tuesday	Wednesday	Thursday	Friday
Phonic s	<u>RWI set 2 phonics "ar" lesson</u> <u>- YouTube</u> Your child will need a pencil and paper	Phonics 'or' sound (complete RWI Phonics lesson) - YouTube Your child will need a pencil and paper	<u>RWI set 2 phonics "air"</u> <u>lesson - YouTube</u> Your child will need a pencil and paper	<u>PhonicsPlay - Phase 3</u> <u>Resources</u> choose one of the phase 3 games	Can you give your child one of the sounds this week and ask them to find a toy or object that has that sound in.
Litera cy	Can you make an invitation for a tea party for a tiger and have a go at baking some buns or making some treats that you may enjoy for a tea party?	Today can you use your teddies and act out a tea party. You could have the buns you made yesterday.	Today I want you to think about three things that would happen if a tiger came to tea at your house. Draw them or write them down.	Can you make your three ideas into a story? It may take you a little while to write so do this over two days. You could start this story - One day a tiger came to my house and	
Maths	https://vimeo.com/4593204 72 Watch this video and it will teach you todays lesson. The worksheet is attached.	https://vimeo.com/460 142284 Watch this video and it will teach you todays lesson. The worksheet is attached.	https://vimeo.com/4593 20928 Watch this video and it will teach you todays lesson. The worksheet is attached.	https://vimeo.com/46014 2990 Watch this video and it will teach you todays lesson. The worksheet is attached.	Can your child practise their number formation today. They can write the numbers in words as well as the numeral. Take this outside and draw with water or in the mud if you want to.
Lunchtin					
Other areas	RE - Today we will be watching the story of Jonah and the whale. Can you watch this <u>Jonah and</u> <u>the Whale - Beginners Bible -</u> <u>YouTube</u> and then draw your favourite part of the story	MUSIC - Have a go at this music lesson. <u>Rhythm symbols and</u> <u>patterns</u> (thenational.academy).	PE - we are working on multiskills. Your child can watch this video and complete the activities <u>What does my body do</u> <u>when I move?</u> (thenational.academy)	Science - use the powerpoint to find out about different types of animals. Then complete the sorting activity	Art - this week we are thinking about shadows. If it is a sunny day go outside and draw around your shadow. If the sun is not shining enough then put a toy near a lamp and draw the shadow it makes
