

Hi everybody,

It's Friday!!! we have got through another whole week and look at all of the amazing things you have done.

READING TIME

Start with some reading today to warm up your brain.

PHONICS TIME

Can you have a go at this online game today [Letters & Sounds Bingo \(ictgames.com\)](https://www.ictgames.com/letters-sounds-bingo) It is a fun way to blend the sounds together and you can choose cvcc or ccvc words to play in phase 4 or some of the sounds we have covered in the phase 5 section.

LITERACY

Carry on with your story today. Make sure you read it first to check it makes sense. Can you make it better? Can you add a sentence?

If you are finished then can you practise your letter formation especially for any of those letters you get a bit muddled up.

MATHS

Today I thought you could use what you have learnt about number bonds to play. You can find 10 or 20 teddies and pretend they are on a bus. what happens when some get off or get on. Can you use your number bonds to 10 and 20 to help you write some number sentences?

This afternoon we will be going out in the woods. Take some time to enjoy some precious time outdoors maybe go for a walk and look around at all the wonders of nature.

You have been amazing this week. Well Done!!

Love Mrs.Oakes
