

## Y4 Homework - Friday 13<sup>th</sup> November

### Spellings

Next week we will begin looking at words where we can add the prefix re-. The prefix 're-' means 'for a second time.' Below are some of the words we will be looking at and learning next week. Use the ideas suggested on the homework letter at the front of the book to help you. Remember, you do not need to learn all of these as a spelling list.

Appear	Heat	Connect
Reappear	Reheat	Reconnect
Decorate	Arrange	Write
Redecorate	Rearrange	Rewrite
Build	Cycle	Do
Rebuild	Recycle	Redo
Fresh	Place	New
Refresh	Replace	Renew

### Topic

Look at the topic grid and begin your work on one of the choices - have fun. We are aiming to have 3 of these tasks completed by the end of this term. The effort so far have been absolutely amazing - well done. Please remember, we can't be displaying things on the side at the moment. Please do continue to bring things in and we can show each other, but they will need to come home afterwards. Thank you for understanding this.

### Maths -

1. Please log on to [www.activelearnprimary.co.uk](http://www.activelearnprimary.co.uk)

Login - 1<sup>st</sup> initial and surname e.g. jsmith

Password - yr2016

School code - bccj

You can spend some time playing the game 'Reel it in' which I have set for you.

2. You have a 2d shape sheet in your book. Find out the names of these shapes and write the names on the blank line under the shape. Next week, we will have a quiz on these.
3. Play a game with a partner. Choose a shape each and describe the shape using its properties - for example, sides, angles, lines of symmetry.  
"I am thinking of a shape. It has 3 equal angles, 3 equal sides and 3 lines of symmetry. What is it?"  
....equilateral triangle.

### Times Tables

Please practise the 3 times tables.

<https://www.bbc.co.uk/teach/supermovers/times-table-collection/z4vv6v4>

[www.TimesTables.me.uk](http://www.TimesTables.me.uk)

### Handwriting - optional extra

I will upload a handwriting sheet which will match the letters we are working on this week on to the school website...this handwriting sheet is an additional activity.

### Mummifying Tomatoes

On Thursday 19<sup>th</sup> November, Year 4 will be mummifying tomatoes! Next week, we will be learning about Egyptian mummies and the process of this. We will then be writing instructions on this.

Please could you bring in the following items on Thursday 19<sup>th</sup> November:

- A tomato
- A named pot (a little larger than the tomato to mummify the tomato in)
- Salt
- Bicarbonate of soda

You will need enough salt and bicarbonate of soda (equal amounts) to be able to completely cover the tomato in the pot and perhaps a little spare to top this up over the days if needed).

To keep safe at the moment, children will only be working with their own resources from home and we won't be sharing these together. 😊

Thank you for your help.

Kind regards

Mrs Jones
