

Tuesday 19th May

Hello everyone!

How was your Monday? What happened with your gingerbread men? Did any get away? Or did you get to eat them all? I hope you shared them!

Today I want you to use your pictures of your gingerbread men that you did yesterday to tell me all about them. Around your pictures can you think of a word or a sentence that describes:

- What they taste like?
- What they smell like?
- Your favourite part about making them?

Parents feel free to write some of their ideas around the outside too!

A bit of fun for math's, a game of I spy! Can you count how many of each character you can spot.

How many:

- Pigs
- Gingerbread men
- Cats
- Cows
- Boys
- Dogs
- Cockerels
- Foxes
- Horses
- Girls

There are some tricky teen numbers to write so try and do your best and spot them all!

Have a wonderful day.

Love Miss Edlin
