LUNCH				
RE The Creation	Tonight, gaze up at the stars in the sky. Reflect on just how amazing our World is. Do you think if we all stopped and reflected for a few minutes regularly people would treat the World around us better? What rules could you come up with to keep our World special and beautiful? Maybe design a poster to tell people how they should look after our World. Use paints, watercolours, pencils or PowerPoints.			

Science Forces	<p>Look at the BBC Bitesize page: https://www.bbc.co.uk/bitesize/topics/z4brd2p</p> <p>Look around y your home. How many objects can you find that use a force, bath plug, lawn mower etc. Can you make a list and describe the force that makes the object move.</p>
Geography North America	<p>Research the location of America in an Atlas or on a Globe. Look at the gridlines and see if you can find longitude and latitude. How can maps/Atlases and Globes help us to relocate countries and States of America. Look at the legends box, what other information can you find out about America? Research physical geography and human geography. Can you use the maps to find facts about mountains, lakes, oceans (physical) or housing, transport, places of religious worship (human).</p>
