This week Year 5 have spent an amazing week at Heatree Activity Centre on Dartmoor. They have had a wonderful time kayaking, stream scrabbling, trying out archery, climbing and lots more activities where they have been having fun together. We are really proud that we have enabled this to happen this year – a massive thank you to Miss Wilmot, Mr Wilmot and Miss Thompson for accompanying the children and an even bigger thank you to Mr Hill for leading not one, but two classes.

This year has been a year when we have seen our staff shine and always put the children first. As we near the end of the year they are busy making video reports with the children and making every day in school a brilliant learning environment.

Please can children have sun-cream applied before school and bring extra with them. They also need to have a bottle for water and a sun hat – summer is here! ☺

Year 4 made some incredible Roman shields which they used to good effect by making 'the turtle' as part of their battle manoeuvre. Even when they faced attack the turtle held fast – not a single tennis ball could penetrate the 'shell.' ☺

What can be nicer than a gentle groom at our guinea-pig salon. The Year 5s have really shown their gentleness when handling the guinea-pigs.

Year 6 have also been caring for the 3 new ducklings and 5 chicks who have now nearly outgrown their cage!!!

Last week our Reception children had a wonderful Julia Donaldson day when they came to school dressed as a character from a Julia Donaldson book. The children and staff looked wonderful – thank you.
