

Monday 23rd March

Good Morning

Hope you had a great weekend.

Today we were going to think about our zoo trip, can you think of your favourite animal that you saw? Can you draw a picture and write a sentence about it? See if you can name the animal too! If you didn't go on our zoo trip, can you pick any favourite animal?

Phonicplay is a super website to practice phonics, it's full of fun games to keep looking at phase 1 and phase 2 sounds. We do little bits of phonics everyday.

In maths can you practice reciting numbers 0-20? Then see if you can count a group of 5, 10, 15 and even 20 objects!

Cosmic Kids Yoga and Go Noodle are brilliant videos to watch to get moving, follow the story and dance along!

In the afternoon with we were having Marvellous Monday, play, art and wild woods were planned. Can you draw or paint a self portrait? Can you build a sculpture using different materials? Can you find some flowers outside? What toys can you play with that you don't usually play with?

I would love to see some of the things you get up to through the day, see if you can ask an adult to send some photos on Tapestry.

Have a lovely day!

Miss Edlin
