Monday 30th November 2020

Dear Year 5 children and Parents/Carers

Re: New Arrangements for January 2021

We are both very excited to be teaching Year 5 together after the Christmas break. We have been busy planning together and our teaching practices are very similar. We will be doing our best to ensure a seamless teaching and learning environment where the children are at the very heart of our practice.

Monday to Thursday will continue to run as it has but with Mrs Dinham teaching. PE and Spanish will move to a Wednesday from next week. Woods time will move to a Thursday in the New Year, so please ensure your child brings woods clothes in then. Fridays will be taught by Mrs Williams, focussing on the mastery/problem solving elements of mathematics linking to the strand which Mrs Dinham has taught during the week, together with Creative Writing focussing on the children's SPaG targets (again tying in with learning from the week).

Both of us will be teaching RE as we feel this should be cross curricular and embed everything we do as a Church school. Spelling tests and multiplication table tests will continue to be on a Friday.

We are looking forward to the year ahead and working together to ensure the children progress and that we continue to focus on their wellbeing. In this way we can ensure they reach their full potential. Please be reassured that we will be available if you have any concerns or worries which you would like to talk to us about.

With best wishes

Mrs Dinham and Mrs Williams
