

Wednesday 24th February

Hi superstars!

### **READING TIME**

Start with some reading today to warm up your brain.

### **PHONICS TIME**

Today you can watch my second video about ear. Can you say the words and blend them together.

### **LITERACY**

Today we are going to think about the characters in the Jack and the beanstalk story. Can you make a list of the characters? I have given you some simple stick puppets you can cut out and make. Use a stick from the garden if you like. When you have made them can you pretend to be each character and say what they are like. You may even want to write down some of the words you say to describe them. These are called adjectives and they are describing words. Keep your words for tomorrow.

### **MATHS**

Today we are going to move on to counting in 2's. Can you find as many pairs of shoes as you can and count them in 2's. Make sure you put them all back. Now can you find some 2p's and a cup. Can you count the 2p's and put them in the cup as you count. You may even want to draw around them and write your 2's out.

This afternoon we will be looking at flowers and having a go at drawing them. If you don't have any flowers at home can you look outside. Use some pencils and draw really carefully, thinking about the size of the different parts of the flower and stem.

We will also be playing outside together this afternoon so maybe you can get some fresh air and go for a walk or play in your garden.

Have a fun filled day!!

Love Mrs.Oakes
