Headteacher: Mrs Tracey Fletcher

Safeguarding Team: Tracey Fletcher (Headteacher and Designated Safeguarding Lead)

Vicky Oakes (Deputy Designated Safeguarding Lead)

"They will neither hunger nor thirst, nor will the desert heat or the sun beat down on them. He who has compassion on them will guide them and lead them beside springs of water."
Isaiah 49:10

This week's value: **Compassion**

Dear parents and carers,

This week in school our value has been compassion. The children in Year 5 led Collective Worship on Monday, reading a story from the Bible and showing the rest of the school actions to help them to remember the characters. Thank you Year 5!

On Thursday we held our Remembrance Service and two minutes' silence, where we watched the animation called "Poppies", showing war from the animals' points of view and listened to the music that was played alongside it. A time for us all to be together to reflect on what has gone and the hope we have.

Next week is anti-bullying week. The theme this year is Reach Out. The children in Years 3, 4, 5, and 6 will be watching a live lesson on Monday hosted by Newsround's De-Graft Mensah and Alex Humphreys with the help of some budding young performers and expert advice from Dr Radha Modgil.

We want the children to:

- Understand different types of bullying;
- Understand that there are people to reach out to;
- Notice and communicate feelings and how to manage them;
- Prepare to play an active role as citizens and developing good relationships and respect the differences between people.

To show our support on Monday the whole school will be invited to wear odd socks for the day.

Have a lovely weekend,

Mrs Tracey Fletcher

Headteacher

Dates for your diary

Monday 14th November

Odd Socks Day – Anti-Bullying Week

Tuesday 15th November

KS2 SATs Parents Meeting – Year 6

Wednesday 16th November

Tempest portraits

Thursday 17th November

Wednesday 14th December

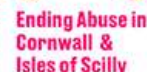

Christmas Lunch

Thursday 15th December

Carols in the Playground – 5.30pm and 7pm

Friday 16th December

Last day of term – no After School Club

Achievement Awards

Phoebe in Reception Class deserves the achievement award this week. Phoebe was sad in the woods and decided to make something to cheer herself up and included lots of friends in her busy activity. Well done Phoebe, you showed great resilience.

Alfie in Year 1 for being a super star solving maths problems and recognising a variety of different everyday materials in Science.

Lois in Year 2 has worked so hard on her writing this week. She persevered with the new format of writing and has written some truly amazing sentences! Well done Lois - keep it up!

Anthony in Year 3 for his fantastic efforts with writing this week.

Kyla in Year 4 has had a fabulous week in school and has worked really hard in everything she has been learning. She has listened carefully to all instructions and carried these out with thought and care. Well done.

Lewis A in Year 5 for not only writing a fabulous part of a speech but also having the courage to share it with the rest of the class. Amazing use of effective language.

Riley H in Year 6 for his continuous dedication to his learning and for always striving to give 100%. He is such a hard working individual who is always considerate to others. He never seeks out praise but we want him to know that his hard work and care for others has not gone un-noticed.

Value Awards

Molly-Mae in Reception Class is always compassionate. She likes to make sure that everyone is ok and is a super friend to all. You are a star!

Summer in Year 1 is a kind and compassionate friend to all her classmates. Well done Summer.

Isabella in Year 2 showed true compassion this week when she was helping another child with their maths. She was so kind and will make an amazing teacher one day!

Isla W in Year 3 shows great compassion toward others - she is able to resolve conflict easily and she is a kind person.

Isabelle in Year 4 is a very kind and compassionate young lady who is always keen to help others. This week, she rushed to help Mrs Jones' pick up all the counters from a dropped box. Thanks for helping me Isabelle.

Rebecca in Year 5 for showing compassion to everyone. Rebecca can be relied upon to support anyone and everyone. She has such a kind, caring nature. Thank you!

Zach W in Year 6 who is always encouraging others and always having a nice word to say. He is always positive even in difficult situations. You are a great role model for Year 6 Zach.

Sports Report

East Cornwall Champions Girls Football

On Monday we travelled to Wadebridge for the ESFA East Cornwall Finals. The girls were superb all afternoon and won all 6 matches, scoring 25 goals and conceding 0, meaning they became East Cornwall Champions. This qualifies them for the ESFA County Finals next Friday in Falmouth. Well done girls!

Arena Mixed Football League

On Tuesday we went to Callington for the 2nd round of the Arena League. A slightly under par performance resulted in a 1-1 draw with St Cleer but was followed by a convincing 5-0 win against St Stephens to keep us top of the League.

AAA County Cross Country Championships

Good luck to all the runners who are competing in the above event on Sunday at Newquay.

This week in school we have...

Year 4 have had a busy and fun week of learning. We are really enjoying our English unit of work on 'The Iron Man' and the children are all using some amazing vocabulary. In preparation for our Ancient Egyptian Day next week, we have been finishing off our research on the discovery of Tutankhamun's tomb and looking at how artefacts tell us about the past. Right at the end of last week, Year 4 enjoyed visiting Coombe Woods and worked really hard to plant hundreds and hundreds of bulbs – we loved it!

Year 6 have been examining the significance of Mary in Christianity and how she is represented in Catholicism and the Anglican Church. They have also been investigating volts in electricity and understanding the team diversity and what that means in a community. Their discussions showed a real understanding of how important acceptance of others is and how they would like to live in a tolerant and accepting world.

This week Reception Class have been using some of their new furniture and have been finding different colours whilst playing outside. They have also been literacy stars and have been learning new words to describe.

This week Year 3 have been doing some drama around our English unit. We also visited the woods to think about push and pull forces and in RE we have made some Rakhi bracelets.

Year 1 have been exploring everyday materials in Science, practising their pirate phonics and learning about different resources they can use to help them solve addition problems. They have also been brainstorming some adjectives to describe fireworks.

Year 2 have been very busy learning and writing more about the Great Fire of London. We have explored lots of amazing vocabulary to describe what happened and the children have used words like 'devoured' and 'billowed' in their writing. In maths we have been working on number bonds and the children are amazing at working them out quickly using what they already know. We created some wonderful line drawings of London landmarks burnt in the fire and wrote about life in 1666. We did some amazing rolling with Mr Brown and have continued our photography journey. Another busy week!

Year 5 used the skills they have practising in English to help them to write their School Council speeches. Very impressive use of persuasive language! In History they have begun their information gathering about the Anglo-Saxons and Vikings. They have also started their music topic and enthusiastically sung and moved to Livin' on a Prayer by Bon Jovi!
