Headteacher: Mrs Tracey Fletcher

Safeguarding Team: Tracey Fletcher (Headteacher and Designated Safeguarding Lead)

Vicky Oakes (Deputy Designated Safeguarding Lead)

"Be strong and of a good courage, fear not, nor be afraid of them: for the LORD thy God, he it is that doth go with thee; he will not fail thee, nor forsake thee."

Deuteronomy 31:6

This week's value is: *Courage*

Dear parents and carers,

Our week began with a call from Ofsted on Monday, informing the school of our inspection. Leanne Thirlby (HMI) arrived at Bishop Cornish on Tuesday morning and spent two days with us talking to children, staff, governors, parents, carers, looking at lessons, children's work and reviewing our paperwork. We now await the inspection report. Once that has been reviewed, it will be shared with parents and carers straight away.

I would like to reiterate my thanks to you all for your support and say a huge thank you to the staff at Bishop Cornish for their hard work, the children for being so open and willing to share their experiences and the governing body for their support.

This week our value was courage and I think I saw that in abundance!

Next week, myself and Year 6 will update you on the money raised and share how it will be distributed.

COVID

COVID numbers continue to rise at school. Can I please ask that you are extra vigilant and if your child is at all unwell, please keep them at home. A negative morning test appears to be quickly turning to a positive one later in the day.

Have a lovely weekend,

Mrs Fletcher

Diary dates

Tuesday 22nd March

Cross Country County Championships – Newquay
Good luck to Lucas in Yr 4 and Owen and Isabel in Yr 6

Saturday 26th March

Animal Enclosure Maintenance
Day 9.00am – 12pm

Achievement Awards

River in Reception Class deserves the achievement certificate for being her usual sunny self and spreading smiles wherever she goes. Keep it up River!

Albie in Year 1 has completed an amazing unaided piece of writing this week. He has written the story of Jack and the beanstalk with amazing finger spaces and word choices. Albie - I am so proud of you, what fantastic progress.

Harper in Year 2 for being a super star with her learning. She has been creating some fantastic ideas for her superhero adventure story and working hard learning lots of different 2D and 3D shapes. Super work Harper!

Lacey in Year 3 has made a great effort in writing this week and independently wrote some wonderful work.

Florence in Year 4 is ALWAYS immaculately behaved, works incredibly hard, is kind to everyone and ALWAYS has a smile on her face.

Isaac in Year 5 for amazing sci-fi writing. He has taken on board everything he has learnt in lessons, applying this to his story. Every sentence had superlative grammar in it to elevate his writing to Year 6 standard! Well done.

Ella in Year 6 made huge progress in her maths this week, scoring significantly more in a test compared to the time before!! I was so thrilled for her! Well-done! 😊

Value Awards

Eliza in Reception Class has shown courage this week by climbing all the way to the top of the ropes during PE. She showed great determination and strength and courage to climb that high! Well done Eliza!

Archie M in Year 1 has shown courage this week in trying new things that he was unsure about. Archie tried really hard to be brave when he faced things he was worried about.

Elsie in Year 2 for being super brave this week in PE when she got hurt. She dusted herself off and kept going. Well done for being brave Elsie.

Jazmine in Year 3 has shown great courage this week, her response to difficult situations shows great maturity.

Lewis B in Year 4, who sustained a really heavy fall in PE but bravely got up and carried on.

Lucia in Year 5 was very brave after an injury during swimming and carried on regardless. She showed courage and determination to not let it affect her learning.

Chloe in Year 6, showed enormous courage this week in R.E., standing firm by her beliefs and demonstrated great strength when explaining her thinking. Very admirable! 😊

Sports Report

A very quiet week on the Sports front this week, which is very unusual! We are looking forward to hearing how all of the children get on in the Landrake Cross Country Run this afternoon. Mr Brown and the children have a busy few weeks coming up with numerous fixtures before we break up for the Easter holidays – more information to follow.

This week in school and at home

Year 5 have been authors writing about space adventures, mystical planets and strange alien life. They have also been using code to write algorithms for a game app. They are an amazing Year 5 and I am so proud of them all. Thank you to those who also joined us for our zoom lesson, it was so lovely to see you 😊

This week Year 1 have loved being out in the sunshine! We have found one more and one less outside, found out which was the most common wild flower and played easter pass the parcel with a special prize at the end. We have also compared numbers to 50, danced like flowers and started to use a word processor. It has been a busy week!

This week Reception Class looked at Picasso and painted their own Picasso style bug. We also took the classroom outside and practised our writing in the sunshine by making cards.

This week Year 3 have been writing rainforest adventure stories and debating deforestation.

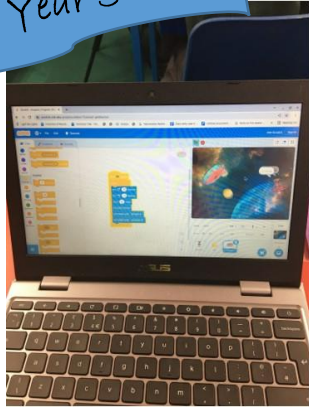

This week Year 4 have been planning their holiday to Spain and have also been doing some excellent persuasive writing. In maths today, Year 4 did orienteering in the glorious weather. Also today, a lot of the children are competing in the mud-fest that is the Landrake Cross Country along with 650 others. A busy time for Year 4!

This week Year 2 have had great fun in the woods transforming ordinary sticks into their very own Action heroes. They created adventures with them and gathered lots of ideas for their story writing next week.

Year 6 have been historian detectives, analysing primary source evidence through real-life artifacts - which was extremely interesting!! We've also been learning about algebra and have started a new writing topic by watching an animated, true WWII story.
