

Monday 22nd February

Good morning!

Hope you had a lovely half term and managed to have some fun and get outside. I did lots of painting in my house and enjoyed reading books!

We are starting a new topic this half term and we are going to be learning about plants and trees and growing. We are starting with a story that you will all know.

READING TIME

Enjoy your book today. Don't forget we can change your books at school on a Thursday. I can't wait until I hear you all read again.

PHONICS TIME

This week we will be focusing on the sound au for the first two days. Can you watch my video of me teaching you the sound today?

LITERACY

We are going to start our literacy work with a story you may all know and probably have at home. Our story is Jack and the Beanstalk. I have put a powerpoint of the story up or you can watch it here <https://www.youtube.com/watch?v=Sg0Bf2VAvlk> You may even have the story at home and can read it together.

After you have watched the story, can you act it out. Maybe you can use your toys.

MATHS

This week we are going to be counting in 2's, 5's and 10's as we need to be really good at it in Year 1.

Today can you practice counting in 10's. Use your number square I sent you and choose a number between 0-9 and count on in 10's.

Now have a go at the 10's sheet.

In the afternoon we will be doing some RE. This term all of our activities will be leading up to our Easter work.

Can you watch this short clip

https://www.youtube.com/watch?v=fF_2sNjgNKQ

Who is the famous person that we can see?

What famous person would you like to meet? Can you draw them?

What would you do if they came to visit our school?

Have a great day!

Love Mrs.Oakes
