

Dear Year 4,

Pharaoh has heard all about your amazing learning about Ancient Egypt. As a result of this, he has granted you special permission to participate in a special, creative art and design day. You will be designing some Egyptian jewelry and this will be inclusive of a short fashion show to model the latest designs.

Date:

Monday 7th December

Dress code:

Please wear your usual Egyptian attire...you will need to be dressed in Egyptian clothing...whether you be a Pharaoh, Vizier, Noble, Priest, Craftsmen/women, Farmer and on this occasion, slaves are also invited to attend. There may also be some Egyptian Gods or Goddesses in residence on this day too. Pharaoh has mentioned that new clothes do not need to be purchased on this occasion – you may adapt your usual attire.

Due to limited supplies during in Egypt during this time, if you could bring in any of the following, Pharaoh would be most grateful (he also says these may be brought in before the day to allow for stock take).

- Colourful magazines
- Beads
- Straws
- String
- Anything else which you think would be good for making Egyptian necklaces or a working shaduf.

Thanking all residences of Egypt in advance
Pharaoh Sonej the 1st.
