

Hi my happy Year 1's

How are you feeling today? I hope you can find a big smile inside and try to pass it on to everyone in your family. Remember a smile is the best thing you can share!

Don't forget to do your reading today. In your homework books was a list of red words. Have a look at them, how many can you read and/or spell? Just do a few a day.

For literacy you are carrying on writing your Easter story. If you have finished go back and check it and add in anything you have missed.

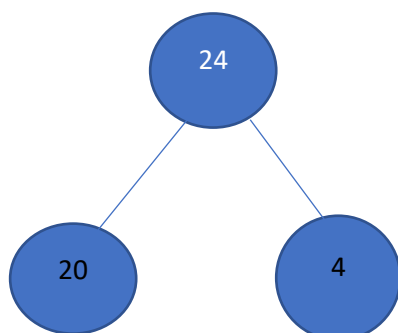

Phonics time - Don't forget the Ruth Miskin daily programmes!

Today can you ask your grown up to remind you of these three sounds and then you can run and find something in your house that has this sound in it. I wonder what you will find?

sound	rhyme	Word examples
ow	blow the snow	snow flow know show blow
oo	poo at the zoo	mood fool pool stool moon spoon
oo	look at a book	took shook cook foot

In maths we will be counting and also going back over what is in a 2 digit number. Could you.....

- Can you remember how to count in 10's? Can you jump for each number up and back to 100.
- We have thought about splitting a number into tens and ones this week. Today could you do this using a part whole model (all the children should recognize this)

Lots of you took your bean plants home last week. Could you measure the bean and then talk to your grownup about what has changed and what you can see. Could you draw your plant and label all of the different parts. Look on bbc bitesize - key stage 1 science for some mini videos about the parts of a plant.

Enjoy your day!!

Love

Mrs.Oakes
