Headteacher: Mrs Tracey Fletcher

Safeguarding Team: Tracey Fletcher (Headteacher and Designated Safeguarding Lead)

Vicky Oakes (Deputy Designated Safeguarding Lead)

Look to the LORD and his strength; seek his face always.

1 Chronicles 16:11

This week's value is: *Perseverance*

Dear parents and carers,

A busy time at school this week, where we saw our children in Year 6 sit their Statutory Assessments. Monday morning began with a special breakfast of pancakes, fruit and syrup, culminating on Thursday with a full English breakfast! The children worked really hard through all the papers. We are very proud of them. Thank you to Nicky and Sarah in the kitchen for the lovely food, which was very much enjoyed. Thank you also to the staff, who supported the children through the week.

This week the teachers undertook some professional development around the computing curriculum. The micro:bit is like a tiny computer where you can transfer programmes from your computer on to the small gadget to be executed. We are very much looking forward to introducing them to the children.

Next week we will be looking at our THRIVE programme and receiving some training around how to support our children in school.

In addition, next week Richard Magrath our new vicar will be joining us in school to lead Collective Worship.

Have a lovely weekend.

Mrs Fletcher

Dates for your diary

Monday 16th May

Year 1 Trip to Synagogue and Plymouth Hoe

Friday 20th May

Tempest Photographer – Class Photos

Wednesday 25th May

Whole school visit – Author Robin Price

Thursday 26th May

INSET Day

Friday 27th May

Queen's Jubilee Holiday

Monday 30th May – Friday 3rd June

Half term

Monday 6th June

Back to school

Monday 6th – Friday 10th June

Wednesday 29th June

Sports Day 1-3.15pm

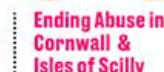

Saturday 2nd July

Animal Enclosure 'Groundforce' Day

Friday 22nd July

Last day of term

No after school club, all children finish at 3.15pm

Achievement Awards

Ollie in Reception Class for his amazing number bond to 5 skills. He flew through them and was fantastic each time. Keep it up Ollie!

William in Year 1 wrote an amazing pirate story this week and his handwriting was fantastic. He has worked so hard on his writing skills and I am really proud of him. William is also always a superstar in class and is kind and well behaved at all times.

Isla W in Year 2 for sheer determination to keep going when a piece of work was challenging. We are so proud of you for not giving up and keeping on going to the end!

Jack in Year 3 for his enthusiasm and humorous contributions to our conversational poems about lunch times at school.

Bear in Year 4 for always trying his best in everything he does. Well done Bear!

Isla in Year 5, who is an accomplished artist. She has produced an outstanding water colour showing the component of a plant. Well done Isla!

The kitchen staff for providing a super array of breakfasts - Nicky's Special was amazing!! Thank you for all your effort!

Value Awards

Molly in Reception Class always tries to show perseverance. She is very determined and has great self-belief, she has especially been amazing with her reading recently. Well done Molly.

Beau M in Year 1 has really persevered in all we have asked him to do this week. He has written a fantastic pirate story and has tried so hard to keep remembering the things we have asked him to do. Well done Beau!

Filoumeni in Year 2 has been wonderful. Always working hard and not giving up. She remains calm and patient through to the end. Well done Filoumeni!

Daisy in Year 3 shows perseverance in everything that she approaches within school. She is continually trying her best, even if things are hard. Well done Daisy

Harvey and Alex in Year 4 for problem solving and persevering when things didn't go to plan when making circuits.

Wyatt in Year 5. We are very proud of him for showing constant strength and determination. You are a star Wyatt!

How can we choose?! The whole of Year 6 has shown AMAZING perseverance this week, while completing their SATs! Sustaining that level of effort and concentration over a week, is hard going! Well-done Year 6! 😊

Sports Report

Saltash Half Marathon Fun Run

A great turnout on Sunday for the 1.8-mile Fun Run with over 30 competing from the school! Some superb performances, most notably Olivia and Jacob being 1st under 9 Girl and Boy, Lucas finishing 7th overall and Owen coming 4th (against adults) in the 5km race. Well done to everyone who represented the school so well.

Year 4 County CSFA Football Finals

On Wednesday our Year 4 Football team travelled to St Mewan for the County Finals. The team performed brilliantly all afternoon to eventually come a brilliant 3rd in a really close competition. Indeed, if we had scored one more goal in our first game we would have been County Champions. Joint Players of the tournament were Bear and Oliver who were truly outstanding. Special thanks also to the wonderful support from the parents and to Mr Jones for his help on the coaching side.

This week in school and at home

This week Reception class searched in the woods for their very own Stickman lookalikes. They also thought about Stickman's feelings and practised their take away skills.

This week Year 3 have been writing and performing conversational poetry, painting some beautiful rainbow inspired art, labelling a map of Cornwall and also learning about the pollination process through dissection of a flower.

This week Year 5 have been extending their biology learning into art and created beautiful water colours - annotating parts of the plant. They have also been lucky enough to work alongside visiting Artist, Chrissy, to create a tri-school china mural to commemorate the Queen's Jubilee. This mural will be displayed in Saltash Town.

This week Year 4 have been finishing working with decimals, In English, we've been analysing myth stories. In Art we have been creating a mythical creature and in Science we've started to look at how to make electrical circuits.

Year 6 have been working incredibly hard this week; showing a great deal of positivity, perseverance and effort in the SATs! We are so proud of each and every one of them! 😊

This week Year 1 have been creating amazing pirate stories and continuing to go array mad in maths. They have been starting to make their tiles for their flag printing and have been learning all about Anne Bonney. In RE they have been exploring and learning about Jewish artefacts and can tell you all about them. We have also enjoyed cricket with Mr Brown and are becoming future England stars!!

Year 2 have been working extremely hard on their 'quizzes' this week. They have also created some beautiful African inspired patterns, and have learnt about some key African landmarks.
