

Bishop Cornish CEVA Primary School

To inspire through faith and love, that all may flourish

Issue 17: Friday 23rd January 2026

Phone: 01752 845463

Headteacher: Mrs Tracey Fletcher

Safeguarding Team: Tracey Fletcher (Headteacher and Designated Safeguarding Lead)

Vicky Oakes (Deputy Designated Safeguarding Lead)

*7. But blessed is the one who trusts in the Lord,
whose confidence is in him.*

*8. They will be like a tree planted by the water
that sends out its roots by the stream.*

*It does not fear when heat comes;
its leaves are always green.*

Jeremiah 17 v7-8

This half term's value:

Trust

Dear Parents and Carers,

We have had busy week in school. We began the week with assembly where we looked at trust and how important it is to tell the truth.

We learnt that, to be honest, we should:

- Tell the truth, even if we feel worried or scared to do so.
- Never steal or cheat.
- If someone hurts us or makes us feel uncomfortable, tell an adult.
- Take responsibility for your actions.
- Admit when you do something wrong.

On Monday this week the PTA met and have now formed a strong committee to work together to raise funds for the children at Bishop Cornish to further enhance their provision.

This week parents will have received letters inviting them to parent's evening to discuss with the class teacher both their child's progress and attainment. This is an opportunity to look at ways we work together to support each child. As a school we believe that it is key that home and school partnerships are strong in order to support each child. We really do encourage you make an appointment to meet your child's class teacher.

On a different note, we have noticed a dip in attendance for some of our children. We recognise that this is a tricky time of year with illness, but would encourage you to do your best to get your children into school.

I wish you a lovely weekend,

Mrs Fletcher

SE CORNWALL CROSS COUNTRY LEAGUE - ROUND 3

With all the week's football fixtures cancelled because of the weather it was down to our hardy cross country runners to represent Bishop Cornish against the elements at Cotehele in Round 3 of the League. Millie again had a great race, winning her 3rd race in a row against 137 girls in the Year 3/4 race. Theia, having won the previous 2 races, but suffering from injuries, battled to a courageous 3rd place, with Shara having a great run to take 2nd in the Year 5/6 Girls race. With excellent backing from the other girls, it meant we again won the team title against the 38 other schools. The Year 3/4 Girls also managed 2nd in their team competition and Jacob, after 2 previous victories, was still an impressive 2nd in the Year 5/6 Boys race, to keep him in 1st place in the overall individual competition with 2 races to spare. Well done everyone!

***Bishop Cornish School Council have decided to have
a crazy hair and/or clothes day!***

***Any donation is welcome with proceeds going to the
RSPCA.***

Achievement Award

Indie in Reception Class for producing a beautiful piece of independent writing about dinosaurs.

Freddie in Year 1 for trying really hard and focusing in writing and maths.

Ada in Year 2 has been working so hard across all areas of the curriculum. She always works hard and gives her best 100% of the time. Ada we are super proud of you.

Jaxon in Year 3 for consistently working extra hard in all of his subjects. He has also been working very well with others this week and is a super Year 3 role model. Well done Jaxon.

Joeanns in Year 4 is a real superstar. She can always be trusted to carry out any task, tries her hardest in her learning and is super helpful in the classroom. Well done Joeanns.

Rosie H in Year 5 for outstanding writing this week. You have used excellent vocabulary and carefully built your sentences, showing great focus and creativity.

Theo in Year 6 has completed all his learning this week with gusto. He has been utterly amazing, creating brilliant sentences and completing some tricky calculations in maths.

Values Award

Nevaeh in Reception Class for showing trust through honesty and good choices by always trying to do the right thing and being someone others can rely on.

Joshua in Year 1 can always be trusted to work hard.

Seren in Year 2 is trusted by everyone in our class. She is so kind and considerate to everyone.

Taliah in Year 3 for being a kind, helpful and trustworthy member of Year 3. She also represents all our other school values very well too.

Evie in Year 4 can always be trusted to do the right thing and to make the right choice...in anything she does. Evie, you are fabulous – well done.

Henry in Year 5 for being someone we can trust, making good choices, and setting a great example to others in Year 5.

Katie in Year 6 is someone we can trust with any responsibility and she will do it to the best of her ability and always with a positive mindset.

Beautiful handwriting presentation BFF (Bottoms, Feet, Fingers)

Hudson in Reception Class

Monty in Year 1 Monty

Hallie in Year 2

Joshua in Year 3

Millie O'Brien in Year 4

Eloisa in Year 5

Shara in Year 6

This week in school we have.....

This week Year2 have been very busy learning how to use rollers to print. They have created some big patterns using this technique just like the artist William Morris. They did some amazing writing in literacy and have really tried hard to improve their handwriting and presentation. In maths we completed some tricky word problems about money and are now moving on to multiplication and division. We explored life for Victorian children in a factory and decided that we would much rather be a child today! In RE the children designed some amazing synagogues and showed so much understanding - Mrs.Oakes was super proud of them.

This week in Reception, pupils have been learning the sounds **v** and **y** during phonics sessions, alongside developing their writing skills and practising the blending of CVC words. In maths, the children have been comparing groups of numbers up to 10. As part of our Dinosaur topic, the class enjoyed a range of creative activities, using toy dinosaurs to create their own prints and pictures. In RE, the children explored different religious groups and learned that some people belong to religions such as Hinduism and Christianity.

This week in Year 1 we have been learning about how we find out about the past. We did a source hunt which was super fun. We compared Mammals and birds. We started adding within 20. We have been writing our stories about the Bear and the Piano.

This week Year three have been learning about the river Nile. We have located the Nile on a map and discovered how the Blue Nile and White Nile feed into it. The children identified ways in which the Nile was essential to the Ancient Egyptians and how it is still used today. In Art we began exploring Egyptian jewellery designs, comparing these to the Bronze and Iron Age designs from the UK that we saw last term. The children have made some beautiful drawings.

This week, Year 4 have created fabulous stories about a magical object – using the story of Aladdin as inspiration. Everyone worked their hardest – amazing. In our science lessons, we have been learning about the human digestive system and how this works. We all found it fascinating that the ‘small’ intestine is 6-7 metres long!! Wow!. We have been enjoying learning about Hinduism in RE and taken this learning into our art where we have been looking at the vibrant colour and interesting patterns seen. A super week well done.

This week in Year 5, we have been busy learning about six-digit grid references in Geography, using maps to locate landmarks and other geographical features. In History, we explored life in a Maya city, discovering what it might have been like through the sights, smells, and sounds people would have experienced. In English, we have been developing our sentence-building skills based on our class text *The Explorer*.

Year 6 have been learning how the Islam Civilisation spread across Britain this week. They have been looking at maps researching how it spread and why, eg, looking at what made trade and settlements easier across the World. They have also been writing the next instalment of their English story, looking at the differences between subordinate and coordinate clauses and how to remember them. For PE they have been looking at various indoor athletics.
