'I can do all things through Him who strengthens me.'

Philippians 4.13

This week's value: *Perseverance*

Dear parents and carers,

School began this week with a presentation from our Year 5 children for their parents about all the exciting experiences that they had on residential. The children had an amazing time and wanted to thank their parents.

This week our value was perseverance. Using the verse from the Bible, 'I can do all things through Him who strengthens me.' Philippians 4.13, we reflected on how God gives us strength to persevere through difficult situations.

This week Year 6 held their Cream Tea afternoon. It was lovely to have so many parents join the children for the Award Winning Food.

On Wednesday the sun shone, the children's spirits and their parents were high as we held our first Sports Day, where we could all be together after three years. The children proudly got ready to race and represent their team, which they did beautifully. Thank you to our PTA for the cream teas, the parents for being such enthusiastic supporters, the children for working so hard, the teachers for making sure everything flowed smoothly and of course to Mr Brown for organising the event. I am already looking forward to next year!

Next week, we are hoping to be able to send the children's achievement and video reports home. We are however, having problems with the server which is holding up the transferring of the videos. I will of course keep you posted.

Enjoy the sun and have a lovely weekend.

Mrs Fletcher

Achievement Awards

All of Reception Class deserve the Headteacher's award this week for their amazing participation during sports day. Being their first ever sports day, they showed great determination and enthusiasm for the whole day. Well done Reception Class.

Tobias in Year 1 deserves this award because of his effort and achievement in all of his work. He has been really focusing on his written work in all subjects and trying hard not to rush and to do his best. He was also amazing at sports day. Keep it up Tobias, we are really proud of you!

Teddy in Year 2 who has been working super hard in English and Maths, challenging himself and persevering. He also was a fantastic team player on sports day, supporting his team and trying his very best. Well done Teddy!

Eliana in Year 3 has worked super hard in her reading and we are so proud of her achievements in this!

Poppy in Year 4 for always working hard in all of her lessons and representing the school in a variety of sports.

Zach in Year 5 for determination and dedication to his House Team. He carried on with Sports Day regardless of not feeling 100%. He is a true team player and an excellent referee!

Lewis in Year 6 was an absolute super star during sports day; not only being a part of achieving an overall win for the Yellow Team, but also helping our younger, less confident members of our school to achieve their best! Well done! We're very proud of you!

Value Awards

Harper in Reception Class deserves the perseverance award this week. She took a tumble during sports day but she didn't give up and continued on her way. That's the spirit Harper!

Albie in Year 1 - Throughout the whole of Year 1 Albie has persevered with his work. He has made some super progress and is so much more confident. He is more independent and really ready for his next challenge in Year 2. Well done Albie!!

Anthony in Year 2 who persevered for his team during one of the races on sports day. All the other teams had finished and he kept running, trying his hardest and persevering until the finish line. Good job Anthony!

Josh in Year 3 kept going on sports day even though he wasn't feeling his best, you could see his enthusiasm and he was a great team player.

Lewis B in Year 4 for his outstanding effort across the whole of Sports Day.

Evie in Year 5 for persevering with sports with an ankle injury. She didn't want to let her team down so carried on regardless. She is a superstar.

The whole of Year 6 was determined to succeed in their efforts to earn as much money as they could from a cream tea afternoon, which they organised and ran. Huge amounts of team perseverance took place; working hard together for the good of all the class. Well done Year 6! 😊

CORNWALL SCHOOL GAMES

Last Friday we took 50 children to St Austell for the Cornwall Summer Games, having qualified in a record 7 sports. With over 3000 children competing it was an amazing experience for everyone. No podiums this time but we achieved the following excellent results:

4th - Touch Rugby, Year 5/6 Cricket, Tri Golf, Year 3/4 Tennis, Year 5/6 Tennis

5th - Year 3/4 Quad kids Athletics

7th - Year 5/6 Quad Kids Athletics

Well done to everyone involved and special thanks to Nikki and Tara for their help on the day.

SPORTS DAY

Well done to all the children who competed so well all day on Wednesday. It was so lovely to have all the spectators back for the first time in 3 years!

This week in school and at home

Reception Class have had a very busy week with sports day, going on a Gruffalo hunt and our beach talk!

This week Year 1 have been absolute stars with their knowledge of place value. They really have amazed Mrs Oakes. In literacy we have been learning about contractions and about creating a recount of things we have done. We have also continued to make our moving creatures and learnt about some of the stories of the prophet Muhammed. We also LOVED sports day!!!!

This week Year 4 have been busy preparing for Sports Day which turned out to be a fantastic day! In Maths, we've been continuing to learn about time and in Topic we have been drawing portraits of Roman Emperors.

This week Year 3 have been looking at Arthurian legends learning about angles and angles within shapes and honing our sporting skills in sports day 😊

Year 5 have had a busy week! We kicked off with our HeaTree assembly feeding back to parents about all their experiences. They have been practising hard for Sports Day working well as a team and supporting each other. They had a fantastic time at Saltash Community School watching the 'Big Bang!' which had them in awe, freezing Wotsits, flying flames, rotating fire and abundance of bubbles. They have also had a visitor talking about WWII but more about that next week...

This week Year 2 has been putting their fitness skills to the test in preparation for sports day. They have loved all the practising outside and have shown great team skills. They have also been practising telling the time.

Year 6 have been super busy this week organising and running a cream tea afternoon! They were extremely professional and received some lovely compliments... and tips! Well-done Year 6!
