This week's value: *Service*

Dear parents and carers,

It is hard to believe that we have come to the end of the academic year and what a year it has been! It is always at this point that we take the time reflect on both the highs and the lows and be thankful. I am truly thankful that I am part of the Bishop Cornish family. We have the most wonderful children, amazing staff and governing body as well as supportive parents. What more could I ask for? As well as being thankful, I would like to thank the children, staff, governing body and parents for being you and supporting me in first year at school. I am really looking forward to what the next year brings.

It goes without saying that we sadly say good-bye to our Year 6 children as they move on to their new schools. We want to thank them for all that they have given to the school and wish them the very best of luck.

We also sadly said good-bye to Miss Thompson yesterday as she left Bishop Cornish to pursue a new career in nursing. We want to thank her for all that she has done in school for both adults and children. She will be sorely missed but we wish her well and can't wait to hear how she is getting on.

Have the most amazing summer and I look forward to seeing you in September.

*Mrs Fletcher*

## Achievement Awards

Elliott in Reception deserves the Headteacher award this week for continuously being a superstar in Reception class. He is kind, funny and loves to have a chat with everyone. Elliott is very trustworthy and is an excellent friend to all, keep it up Elliott!

Albie in Year 1 has put in lots of effort this year with all of his work. He has made some super progress in all of his subjects and has really focussed on what we have asked him to do. Well done Albie, I am proud of you! Keep up the good work.

Isla in Year 2 for being a kind, caring member of the class and working her very best throughout the year. We are very proud of you Isla, keep up the good work in Year 3.

Finley in Year 3 has met his goal within reading and we couldn't be more proud of his efforts.

Ethan in Year 4 has tried really hard to be involved in lessons this week and he was an absolute star during the Year 6 Leavers' service at church. He is a very caring child and has shown compassion and kindness towards a friend in the classroom.

Oliver in Year 4 has been fully involved in all of our learning this week. He was enthusiastic in our maths practical work and is great at fact finding in our atlas quiz. Well done Oliver.

Poppy in Year 4 has consistently shown a positive attitude in all areas of her learning and she can always be relied upon to try her hardest. Well done.

Isla in Year 5 for applying her maths learning to her lessons. She has worked so hard this term to improve her maths skills and her hard work and resilience is paying off. Well done Isla.

Ben E in Year 6 has worked so hard throughout the year (not just this week!) He has an amazing general knowledge and always surprises us with his accurate answers! Such a wise and knowing young man! Well done! 😊

## Value Awards

Rosina in Reception is a great choice for our value of service. She is someone who is always willing to offer kind words and often likes to give her teachers and friends gifts of her amazing drawings. She is very selfless and considerate of others. Well done Rosina.

All of Year 1 who have shown the value of service this week as we have packed up and moved classrooms. They have helped when asked and also made some super suggestions about what we should have next year. Thank you Year 1 - you have been amazing!

On our Year 2 Africa Day Harlequin was very kind to Isla - sharing with her and making sure that she didn't go without. Well done Harlequin.

All of Year 3 for bringing joy and laughter to Mrs Dinham, Mrs Nile and Mrs Rawlings throughout the whole year - thank you for your hard work Year 3.

Jasmine in Year 4 is such a kind, considerate and valued member of our class. She is always willing to offer help and support others. Well done.

Zach W in Year 5 for being a great team player and always encouraging his peers to have a go, join in and for making sure everyone is included. Zach, you are a great role model ready for Year 6.

The Year 5 class would also like to nominate their wonderful and amazing TAs, Donna, Helen, Ruth and Laura for all their support, dedication, hard work and making learning fun! 😊 We appreciate all their time and never faltering encouragement and enthusiasm to help us through the ups and downs. Thank you x

Bella in Year 6 is an extremely helpful person, and has shown this particularly during the last few weeks; a very thoughtful person showing the true values of service. Well done. 😊

## *This week in school and at home*

*This week Year 1 have been having lots of fun. We had a brilliant water morning on Monday and have learnt lots about time. We can now make o'clock and half past on a clock. We have enjoyed PE outside and playing with our friends. We have also been really helpful to Mrs Oakes in moving to our new classroom in Year 2.*

*The Year 2 children had a really lovely African experience day on Tuesday. They baked bread, made a Xhosa stew, had a go at grinding grain, threaded necklaces and sang South African songs. They had a lovely time roleplaying village life, collecting wood for their pretend fires, and water to wash and cook with. It was a lovely way to finish our Summer topic.*

*This week Year 4 have had a busy week beginning with a fun atlas quiz finding out geographical facts at speed. In maths, we have used a lot of practical apparatus to understand shape and we concluded our Romans topic with researching, then making a poster about 'Roman Britain'.*

*Reception class had a great day celebrating their topic of Julia Donaldson throughout the summer term. They all looked amazing in their costumes and had lots of fun pretending to be their characters. We have also spent this last couple of weeks reflecting on our time in Reception class and how exciting it is to almost be in Year 1!*

*This week Year 3 have had lots of fun building dens in the woods, watching movies, whilst still being superstars.*

*Year 5 have had such a busy week. As well as surprising me with a very regal birthday party complete with games, they have attended a very beautiful Leavers' Service and got to grips with geometry. They have worked so hard this year and they should all be very proud of themselves. Well done Year 5!*

*Year 6 had a fabulous trip to Plymouth on the hottest day on record! Thankfully the bowling, pizza and film were in air-conditioned buildings! ☺ It all ended slightly differently, but we were pleased we didn't have to walk back to the train station! Great fun for the last week! Good luck Year 6 - all the best for the future! We will miss you!*
