

Wednesday 25<sup>th</sup> March

Good Morning everyone!

Continuing thinking about Easter, we were going to mix all the classes to take part in different Easter activities. Below are some fun Easter activities:

- Make Easter biscuits! You can make your own biscuits or buy some and see if you can decorate them like this. The jammy dodger represents the tomb, the mini egg is the stone and the icing is the grass.
- Or you could make biscuits thinking about other Easter links. See if you can make egg, rabbit or chick shaped biscuits.
- Create prayer hands. Draw round your hand and write a short prayer, think about our TSP prayers, thank you, sorry and please!
- Draw a picture of Jesus and think about what he means to you.

Hopefully you have fun with your Easter work and enjoy eating some biscuits! Lots of fun but also lots of learning!

I look forward to seeing some photos of you enjoyed learning about Easter.

Miss Edlin
