

Retell the story of Mr Benn, The Red Knight

How much of the story can you remember? Use the pictures below to help you retell the story to an adult. Write a sentence next to **some** of the pictures (you do not have to do them all).

It was Saturday morning in Festive Road. Men were unloading their vans, boys were playing with wooden swords. Everything was ordinary. At number 52 the postman arrived with a letter for Mr Benn. It was an invitation to a fancy dress party.
