

Wednesday 20th May

Middle of the week already and almost half term, where has the time gone?

I hope you have enjoyed your gingerbread activities this week. Did you enjoy listening to the story?

Today I want you to imagine a bit more about the story. Listen to it again if you would like. Can you tell an adult, write or draw what you think would happen if one of your gingerbread men ran away, how would you feel if one of your gingerbread men ran away? What would they do? Where would they go?

I bet you have lots of ideas! I felt cross when mine ran away but also found it funny! I think they would have explored the outside and then maybe found somewhere safe away from hungry birds to have a rest!

Some number work now, have a look at the colour by number sheets. Pick your favourite and give it a go. See if you can get all the numbers and colours right!

For our last activity today we will go outside! Can you make a gingerbread man using only things you can find outside? Try using sticks, flowers, grass and whatever else you can find.

I can't wait to see some pictures!
