

## Year 6 Spanish

Hola niños

I hope you are all well and making the most of the lovely weather! I have sent Mr Hill some Spanish activity sheets about homes and furniture and a power point presentation. It would be lovely if you could share some of your Spanish learning with me. Maybe you could have a go at speaking about your home in Spanish and share a video or voice recording; for example, telling me about the different rooms in your home .....or you could do a drawing of your home and/or garden and label it in Spanish. If you fancy practising your Spanish numbers maybe you could combine it with some outdoor exercise for example; see if you can count to 20 in Spanish whilst bouncing a tennis ball on a racquet or count bounces on the trampoline or cartwheels.... I have included some examples below for sentences about your home. If you have forgotten some of the pronunciation don't worry as you can check it on the websites that are listed on the school website, such as BBC Spanish or Rockalingua. Remember little and often is the key.

Best Wishes

Mrs Garner
